CODE OF ETHICS

The membership of this Association shall be limited to those persons and firms who shall subscribe to the following:

A. Members of the North Peninsula Building Association believe and affirm that:

- 1.) Home Ownership can and should be within reach of every American family.
- 2.) American homes should be well-designed, well-constructed and well located in attractive communities, with educational, recreational, religious and shopping facilities accessible to all.
- 3.) American homes should be built under the free American enterprise system.

B. To achieve these goals, we pledge allegiance to the following principles and policies:

- 1.) Our paramount responsibility is to our customers, our community and our country.
- 2.) Honesty is our guiding business policy.
- 3.) High standards of health safety and sanitation shall be built into every home.
- 4.) Members shall not knowingly enter into any contract the terms of which are designed to imperil the right of either labor or suppliers of materials to receive a fair return for services or goods furnished.
- 5.) As members of a progressive industry, we encourage research to develop new materials, new building techniques, new building equipment and improved methods of home financing, to the end that every home purchaser may get the greatest value possible for every dollar.
- 6.) All sound legislative proposals affecting our industry and the people we serve shall have our informed and vigorous support.
- 7.) We hold inviolate the free enterprise system and the American Way of Life. We pledge our support to our associates, our local, state and national associations and all related industries concerned with the preservation of legitimate rights and freedoms.
- 8.) Members will comply with all State and local licensing laws relative to their trade or business.

C. We assume these responsibilities freely and solemnly, mindful that they are a part of our obligation as members of the North Peninsula Building Association (NPBA), Building Industry Association of Washington (BIAW) and the National Association of Home Builders (NAHB).
